KEY TAKEAWAYS

Strong Customer Reputation: Validated 4.9★ rating with consistent positive feedback.

Established Local Discovery: Active Google Business presence with visible phone and address details.

Website & Destination Gap: No verified destination website found to showcase complete clinical services.

High Enquiry Conversion Potential: Introducing a direct digital consultation bridge captures high-intent searchers.

DETAILED SCORECARD

01 Discoverability

16 / 20

Verified Google Business listing with visible phone and address. Lacks cross-channel web search footprint.

02 Brand & Identity

Identity clarity and service definition.

03 Trust & Reputation

14 / 20

Exceptional patient and customer trust with a 4.9★ rating on Google.

04 Website Experience

Presence and quality of owned digital destination.

05 Lead Conversion

4 / 20

Google Maps provides phone access, but no verified web, enquiry, booking or WhatsApp destination was identified.

06 Social Presence

No verified public Instagram or Facebook connectivity.

✓ STRONGEST ASSET

High local customer trust with a 4.9★ rating on Google.

✗ PRIMARY GAP

Absence of an owned digital destination to present clinical services and capture patient enquiries.

“ Your reputation is stronger than your digital presence. With a few key improvements, you can convert more visitors into active consultation enquiries.

02

YOUR #1 GROWTH OPPORTUNITY

The most important area to focus on right now.

HIGH PRIORITY

Turn Local Discovery Into a Direct Digital Consultation Enquiry

While Bharti dental care commands strong local patient trust (4.9★), interested patients searching on Google currently have no owned digital destination to explore clinical services or initiate a consultation online.

WHY THIS MATTERS

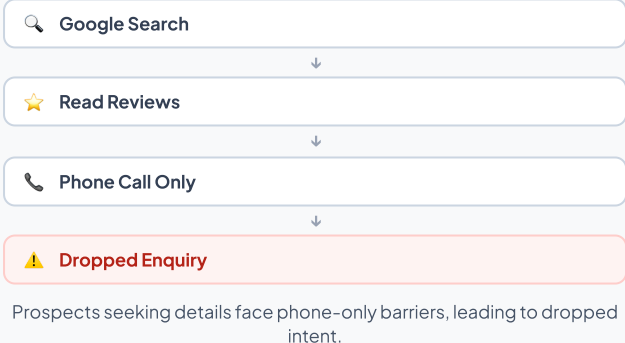

- ✓ **Searchers Seek Information:** Potential customers prefer to review verified services and clinical details before placing a call.
- ✓ **Phone-Only Creates Friction:** Without an online destination, visitors outside reception hours have no direct digital path.
- ✓ **Lower Friction Drives Enquiries:** A clear, structured digital pathway significantly increases consultation requests.

WHAT WE OBSERVED & VERIFIED

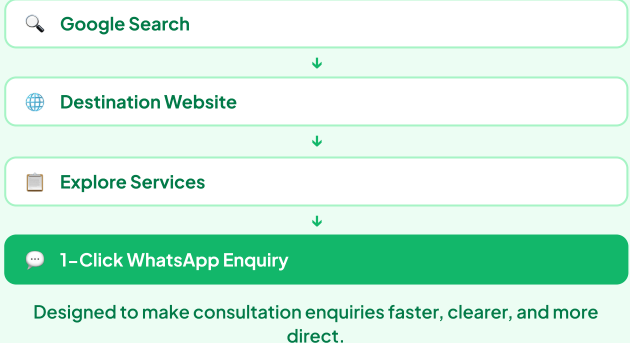

- ✓ **Bharti dental care (Dental clinic)**
Listing successfully identified at B-32, pandav nagar complex, Street No. 4, near Kali mandir, Block B, Pandav Nagar, New Delhi, Delhi, 110092.
- ✓ **4.9 ★**
Public consumer rating verified on Google Business listing.
- ✓ **Phone number: 098116 60444**
Standard voice call option is visible to local searchers.
- ✗ **No destination website configured**
High-intent searchers on Google Maps have no digital destination to explore services or book.

CUSTOMER JOURNEY ANALYSIS

CURRENT JOURNEY

RECOMMENDED JOURNEY

THE COMMERCIAL OPPORTUNITY: An owned digital destination can give interested visitors a clear way to understand the clinic, explore verified services and choose the next step.

03

OUR RECOMMENDED SOLUTION

Our suggested implementation plan & custom digital prototype.

01

DIGITAL FOUNDATION

Mobile-First Destination

Clean clinic showcase with verified treatment overviews, doctor credentials, and assurance.

02

CONVERSION ENGINE

Direct WhatsApp Bridge

Instant messaging routing enabling searchers to request consultations with a clearer, more direct next step.

03

GROWTH & FEEDBACK

Compliant Review System

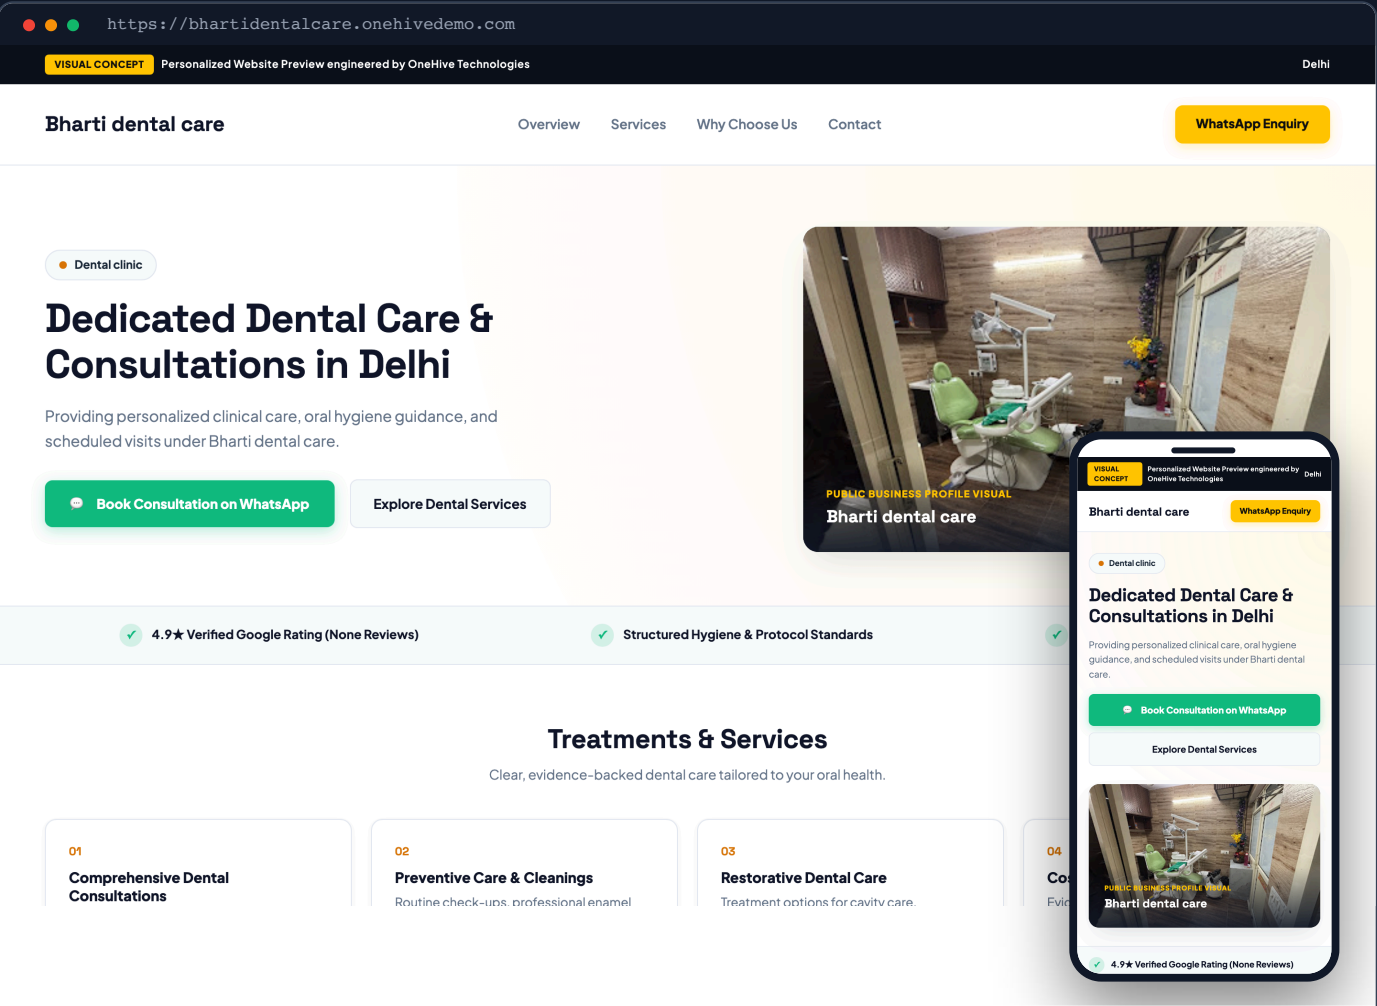

Automated post-visit feedback workflow to make it easier for satisfied patients to leave reviews.

Recommended Priority: Start with 01 (Digital Foundation) + 02 (Conversion Engine) for the highest commercial impact.
