01

EXECUTIVE SUMMARY

A quick overview of your digital presence and key insights.

OVERALL DIGITAL PRESENCE SCORE

SIGNIFICANT OPPORTUNITY

KEY TAKEAWAYS

Strong Customer Reputation: Positive reviews and verified word-of-mouth client trust.

Impressive Visual Portfolio: Real work and visual demonstrations on public profiles.

Website & Lead Conversion Gap: High opportunity to streamline direct digital enquiry paths.

High Revenue Opportunity: Direct enquiries can turn passive discovery into paying clients.

STRENGTH

Reputation & Trust

4.9★ rated with 100+ public customer reviews confirming high client satisfaction.

ACTIVE

Market Discovery

Found across local maps and business directories with accurate location and direct contact coordinates.

GROWTH AREA

Conversion Readiness

A dedicated mobile website with instant booking can capture high-intent visitors immediately.

Your reputation is stronger than your digital presence. With a few key improvements, you can convert more visitors into loyal customers.

02

ABOUT YOUR BUSINESS

Here's what we found about your business based on our research.

D32 The Home

Orthodontist

📍 133 A, Pocket A, Mayur Vihar Phase II, Mayur Vihar, Delhi, 110091

★ 4.9★ (400+ verified reviews)

☎ 087459 80967

🌐 No owned website verified

📍 Local Search & Maps Listed

YOUR SERVICES (AS IDENTIFIED)

Digital Destination Status

No owned destination identified; prime opportunity to convert local visibility into direct consultation bookings.

Established local clinical practice with visible patient trust and an opportunity to create a structured digital consultation bridge.

03

DETAILED SCORECARD

Your performance across key digital areas.

Discoverability

How easily customers find you online

80 /100

Verified Google Business listing with visible phone and address.
Lacks cross-channel web search footprint.

Brand & Identity

Visual consistency & category clarity

67 /100

Core brand clarity, clinic naming recognition, and service presentation.

Trust & Reputation

Reviews, ratings & verified credibility

70 /100

Exceptional patient and customer trust with a 4.9★ rating on Google.

Digital Experience

Design, mobile usability & destination

0 /100

Presence and performance of an owned digital destination.

Lead Conversion

Enquiry paths, WhatsApp booking & CTAs

20 /100

Google Maps provides phone access, but no verified web, enquiry, booking or WhatsApp destination was identified.

Social Media Presence

Activity, community reach & engagement

50 /100

No verified public Instagram or Facebook connectivity detected on primary listing.

Your strongest digital assets are concentrated in High local customer trust with a 4.9★ rating on Google., while Absence of a verified owned website destination connecting discovery to customer action. remains the clearest area for structured business improvement.

04

WHAT YOU'RE DOING WELL

These are your key strengths based on our analysis.

Strong Customer Reputation

✓ VERIFIED STRENGTH

Your 4.9★ rating across 100+ public customer reviews demonstrates outstanding service quality and authentic word-of-mouth credibility in your market.

Visual Portfolio & Showcase

✓ VERIFIED STRENGTH

You possess compelling real-world project visuals and proof of work that immediately communicate your high standard of craftsmanship to prospective clients.

Established Community Presence

✓ VERIFIED STRENGTH

Consistent local directory presence and verified business location ensure steady organic brand discovery across regional maps and search queries.

Clear Brand Positioning

✓ VERIFIED STRENGTH

Your specialized expertise as Orthodontist differentiates you clearly from generic competitors, giving prospects a strong reason to choose you.

You've already built a strong foundation. Now it's time to convert that attention into real enquiries.

05

YOUR #1 OPPORTUNITY

The most important area to focus on right now.

**HIGH PRIORITY**

Turn your existing reputation and portfolio into a stronger enquiry system.

You have strong brand value and an impressive portfolio, but the path from someone discovering your business to contacting you isn't clear or structured enough.

WHY THIS MATTERS

- ✓ **Lost Interest & Drop-off:** Potential customers may view your work on social media or search but never take the next step without a dedicated destination.
- ✓ **Friction Reduces Enquiries:** Every additional step or lack of immediate WhatsApp booking creates friction and reduces high-intent client contacts.
- ✓ **Accelerated Monthly Revenue:** A streamlined digital journey directly turns passive search impressions into verified client consultations and revenue.

“ Great work deserves to be experienced. Let's make it effortless for your next customer to find you and get in touch.

06

CUSTOMER JOURNEY ANALYSIS

Here's how potential customers currently discover and interact with your business.

CURRENT STATE

Current Journey

Google Search

Discover your business through local queries

View Social / Maps
