Overall Digital Presence Score

Your local reputation is strong, but the absence of an owned website limits your ability to capture and convert prospective customers searching online.

Business Model

Local-First
Primarily serves local customers through Google Maps and direct enquiries.

Digital Performance Breakdown

What's Already Working

- Strong customer trust with 5.0★ rating on Google.
- Active Google Business presence with visible location and details.
- Recognized category standing under DENTAL HUT.

What Needs Attention

- No owned website to present services and capture direct enquiries.
- Limited social media presence across mainstream customer channels.
- Opportunity to strengthen lead capture with a dedicated high-converting experience.

“Your reputation is stronger than your digital presence. With a few key improvements, you can convert more visitors into active consultation enquiries.”

02

Your Growth Opportunity

Turn your strong reputation into more consultation enquiries.

HIGH PRIORITY

Turn Local Discovery Into a Direct Digital Consultation Enquiry

While DENTAL HUT commands strong local patient trust (5.0★ across 11 verified reviews), interested patients searching on Google currently have no owned digital destination to explore clinical services or initiate a consultation online.

Why This Opportunity Matters

High Intent Visitors

People are already finding your business on Google Maps and searching for your services.

★

Strong Reputation

Your 5.0★ rating shows high trust—an opportunity to convert more of this trust into enquiries.

Untapped Potential

A structured digital journey can significantly increase your monthly client enquiries.
